# KIKI DE MONTPARNASSE

Kiki de Montparnasse is a luxury fashion and lifestyle brand that celebrates intimacy and inspires the romantic imagination.

Established with the conviction that love, pleasure and fulfillment are integral to a life well-lived, our collections define a new category which empowers communication of desire and exploration of fantasy. We believe intimacy should be honored, and that discriminating consumers should be able to explore and express their passion with grace, sophistication and abandon.

We have designed and hand-selected exquisite collections of inspired indulgences that not only enhance a life of intimacy, they help create it. Sophisticated lounge, ready-to-wear and lingerie collections; fashion and intimate accessories; jewelry and instruments of pleasure; home and atmosphere, as well as fragrance, bath and body lines – all reflect refined design aesthetics, are crafted from the highest quality materials and are packaged with distinctive elegance.

Kiki de Montparnasse reminds you that few things in life are as transformative as intimacy and beauty. Because when all is said and done, love is all there is (and love is enough).
